

# Jobs After 12th

- **jobs after 12th** - Students may have multiple concerns and questions after finishing class 12, about what's next. You can either enrol in professional courses, or become specialized in a particular field you are interested in, or you can go straight into the job of your choice. However, before choosing a stream or a career, you have to figure out what area or field you are passionate about. Making the right choice can take you to another level, all you need to do is find the field into which you can pour your heart and soul.

# Government jobs after 12th

## 1. Indian Army

- It is one of the most stable, promising careers, and best jobs after 12th. It offers job security with many facilities, a good salary and most importantly a good reputation in society. Apart from joining the army through the NDA, you can also join the army directly after completing your class 12 by qualifying in Army rallies. The eligible candidates are selected based on a fitness test, medical test and written examination. The rallies take place across various cities on a specific date, so the candidates should be present there with their admit cards on that particular date for their selection process. It is also one of the good options if you are looking for government jobs after 12th.
