3. Banking:

- The banking sector, both public and private, is seeing exponential growth in the market. Public banks seek 10th pass individuals to fill low-ranking openings such as multi-purpose staff, sweeper, security guard, and so on, by offering attractive packages, job stability, and a slew of additional perks and bonuses. The nature of all of these professions is fundamental, and they are some of the most common jobs on the list of government employment for 10th graders.

4. Staff Selection Commission (SSC):

- SSC, one of the first central government recruiting bodies, announces a slew of new job openings each year through a variety of exams. SSC recruits applicants for a variety of professions from the list of 10th pass govt jobs, the most famous of which are data entry operators, lower division clerks, and multi-tasking employees, to name a few. SSC is the greatest option for those interested in working in various government agencies, ministries, and boards. SSC is an unavoidable component of the list of government employment for 12th graders. SSC Stenographer and SSC CGL are the most popular exams.

5. Police Force:

- Apart from high-level senior posts in the police force, such as Superintendent of Police (SP), Assistant Superintendent of Police (ASP), Inspector, and so on, there is a good list of 10th pass govt jobs available for young individuals. For 10th pass applicants, the police force employs a number of lower-ranking roles such as senior and head constables, as well as other auxiliary posts such as firemen, drivers, constable drivers, and so on. To be considered for these roles, you must have completed matriculation and passed a minimal medical fitness test.
